Dear Community Leader,

Community Relations at The Miriam Hospital strives to “better” the community through sharing the resources of the hospital. Each year The Miriam Hospital provides funding to organizations and agencies in the community working toward neighborhood improvement. Organizations and associations within the Mt. Hope and Hope neighborhoods may apply for a grant during our annual grant proposal request.

This letter is meant to inform you of the opportunity to apply for a grant and the deadline in which to complete the application. This year’s application deadline is Monday, September 8th, 2008 at 12pm. Please note that the grant award notification timeline may not occur until December of 2008.

Knowing that we do not have the means to support every worthy cause, we have established guidelines to define our philanthropic focus. Please see the form attached to review our guidelines and critical dates for applications.

Should you consider applying for a grant, please contact me no later than August 15 2008 to set up an informational meeting appointment. Below are my contact details.
